Public Notice

Delhi Government is enrolling health care workers for COVID-19 vaccination. Many of the registered nursing homes and hospitals have already submitted their HR data through the defined mechanism, alongwith many smaller unregistered clinics. Through this Public notice, GNCTD invites all those remaining healthcare facilities to submit the names of the healthcare workers working in their institution/nursing homes/clinics/OPDs. The Healthcare workers includes Medical, Paramedical, supporting, security, sanitation and administrative staff of all Allopathic, Dental, Ayush, physiotherapy clinics, Diagnostic Laboratories, Radiology centres and other Healthcare settings.

For uploading the data a link has been placed on the DSHM website mentioned below, wherein the private healthcare facilities can seek a login access. Subsequent to verification by the Nursing Home Cell a Log In ID shall be generated which will give access to the template for filling the required data by the owner/authorised officer of the private hospital/clinic. For smaller unregistered clinics separate link has been provided.
